CHITALDRUG DISTRICT BOARD.

Notification dated 6th April 1939.

It is notified for the information of the public that sealed tenders will be received at the Office of the District Board, Chitaldrug, up to 3 P.M. on 29th April 1939 for improving the District Board Office, Chitaldrug.

2. Tenders in the prescribed form, obtainable from the District Board Office, Chitaldrug, should be addressed to the President, District Board, Chitaldrug, in a sealed cover and superscribed as "Tender for Improving the District Board Office, Chitaldrug." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a D. Fund credit chellan for Rs. 250 as earnest money. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract and such deposit will not carry any interest.

4. The tenders will be opened in the presence of such tenderers, who wish to be present on the 29th April 1939 at 4 P.M. The final acceptance of the tender will rest with the President, District Board, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the District Board Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement on a required stamped paper for the due fulfilment of the contract and for the execution of all items of work in accordance with the standard specifications.

6. Failure to comply with the conditions (5) above or to agree to carry out the work in accordance with the specifications and agreement in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenderers will be returned on submission of a receipt originally granted along with an application to the President, District Board, Chitaldrug.

8. Copies of drawings, etc., may be seen at any time at the District Board Office from 11 A.M. to 5 P.M. on all working days.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rate of lumpsum amounts for the items not called for, if tendered, by the tenderer, will not be taken notice of. The rates of such items may be entered in a separate schedule with data and reasons for the same.

11. There should be no alterations and erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the page by the tenderer.

12. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be settled in consultation with the Executive Engineer, according to the actual calculations made by him.

13. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions and additions at the discretion of the President. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

14. The work should be completed and handed over in tidy condition to the District Board by the end of June 1939, failing which, the President may at his descretion, levy a penalty of Rs. 50 per day for the non-fulfilment of the contract and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

15. In all matters of disputes of any kind not specially provided in the agreement or of rates, penalties, measurements, quantity of work, etc., the decision of the District Board, in consultation with the Executive Engineer, shall be final and legally binding.

16. The contract should not be sublet.

17. The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by Insurance at the proper time.

18. The contractor should make his own arrangements for the supply of good and standard materials required for the work.

19. "Chamundi" brand Cement alone to be used.
